ONEGEAR DISTRIBUTION

Paul, Malte & Markus

ONEGEAR DISTRIBUTION

Aus Leidenschaft wird Berufung

Ein Shop, ein Vertrieb. Drei Männer, eine Leidenschaft. Onegear Distribution ist die logische Weiterentwicklung des Kölner SORE Bikes Stores. Mit viel Herz und Sachverstand kümmern wir – das sind Markus, Paul und Malte – uns hier seit 2009 um die Wünsche von Fixed Gear- und Single Speed-Fans. Unsere Produktpalette wächst stetig, unser Service überzeugt, und ein Vertrieb ist für uns der nächste Schritt in die richtige Richtung. Erstes Pferd in unserem Portfolio-Stall sind die Franzosen von Focale 44, und auch die stehen für Qualität und Zuverlässigkeit. Passt.

One shop, one distribution. Three men, one passion. Onegear Distribution is the logical progression of Cologne's SORE Bikes Store. With a lot of empathy and expert knowledge we – that is Markus, Paul and Malte – realize the wishes of fixed-gear and single-speed fans since 2009. Our product range is growing steadily, our service is genuine and a distribution is our next step in the right direction. One of the first brands to join our portfolio is the French bike manufacturer Focale 44. They are known for quality and reliability – a perfect match.

**A FOCAL 44 BIKE LASTS,
BECAUSE IT IS WELL MADE.**

PAINT

Bikes and frame kits use powder coating paint. This paint is cooked in a oven and delivers a thick and durable protection. Much stronger than commonly used liquid paint. Only exceptions are the black Full Moon and black hi-ten frame kit. These ones are ED-black. ED means electro deposit. Tubes are black-colored by electrolytic process. Here again, stronger than liquid paint.

QUALITY PARTS

Confusion is easy, "made in Taiwan" is not "made in China". Focale 44 bikes are assembled in Taiwan. Probably the best country in the world to manufacture good quality parts in mid/big quantities for a reasonable cost. Of course, some parts are bought in China (brakes, tires, saddles). Other parts including frames and forks come from Taiwan factories.

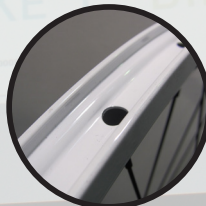

SEALED BEARINGS

Most bearings on Focale 44 bikes are sealed bearings. Smooth, long-lasting and reliable. Here is the sealed bearings list per bike :

- Revolted : headset, BB set, hubs.
- Noble : headset, BB set, hubs.
- S-Express : headset, BB set, hubs.
- Full Moon : BB set.

For pricepoint reasons, Full Moon hubs are loose balls (yet reliable). As for the headset, hard to find a sealed bearings 1" threaded headset nowadays.

DOUBLE DUAL-THREAD REAR HUB

All Focale 44 bikes use a rear hub with dual-thread both sides. In other words, you can mount 2 fixed cogs, one left side and one right side. This give give you 2 "speeds". Of course, it is still possible to assemble a freewheel on one side.

This double dual-thread hub is specified on the spare wheels as well.

And a reminder : every Focale 44 bike is delivered with 16T fixed cog and a 16T freewheel.

DOUBLE WALL RIMS

The whole Focale 44 range rolls on double wall rims. These rims are tough, stay true longer than their single-wall counterparts, even if built with low spoke tension.

THICK TIRE WALLS

Not the lightest ones for sure, Focale 44 tires bear low pressure rides and any kind of shock thanks to thick wall (30 tpi) which create a strong shell.

FEATURES

- 4 sizes : 49cm, 52 cm, 55 cm, 58 cm
- full 4130 Cr-Mo frame and fork
- engraved F44 Falcon logo in head tube
- 1-1/8" integrated headset (Campagnolo standard)
- BMX frontload stem
- narrow raiser alloy handlebar
- BCD 144 mm track crank
- 46/16 gear ratio
- sealed bearings BB set, JIS taper
- plastic BMX type pedals, with new straps
- sealed bearings hubs
- flip flop rear hub (fixed both sides)
- double wall rims, hi-profile : 31 mm
- 700x28c tires
- 1/2"x1/8" chain
- 27.2 mm alloy seat post, 19 mm offset
- new slim saddle
- built to last, around 10.0 kg / 22 lbs
- color : blue clear coating

Every Focale 44 bike is delivered with brakes, freewheel and fixed sprocket. Bikes are shown without brakes.

COMPLETE SPECIFICATIONS

FRAME Focale 44 full 4130 Cr-Mo, 4 sizes, 120 mm hub spacing, weld-on seat clamp **FORK** Focale 44 full 4130 Cr-Mo, 1-1/8", short rake **HEAD SET** F44 integrated, Campagnolo style + spacers **STEM** F44 forged/CNC, frontload, 22.2 mm bar bore, 50 mm **HANDLEBAR** F44 riser alloy, 40 mm, 480 mm wide, 22.2 mm all the way **GRIPS** Kraton, no flanges **CRANK** F44 track forged alloy, 165 mm arms, 46T alloy chainring, BCD 144 mm **BB** Tange Seiki, sealed bearings, JIS taper **PEDALS** F44 Wellgo BMX plastic, Cr-Mo axle **PEDAL STRAPS** F44 new straps, wide velcro **TIRES** Innova 700 x 28c **RIMS** F44 high profile [31 mm], wide [24 mm], double wall, 32 holes **HUBS** F44 high flanges, sealed bearings, Cr-Mo axle, flip-flop (fixed/fixed) **SPOKES ASSEMBLY** Radial in front, 3-cross in rear **CHAIN** KMC Z410, 1/2"x1/8" **REAR SPROCKET** 16T, Cr-Mo **FREEWHEEL** 16T, not assembled on the bike **SEAT POST** F44 new seat post, 27.2 mm, alloy, 19 mm offset **SEAT** F44 new slim saddle, 7 mm rails **LEVERS** BMX style, not assembled on the bike **BRAKE CALIPERS** Alloy, not assembled on the bike

IT IS OFTEN SAID :

"THEY DON'T MAKE THINGS LIKE THEY USED TO"...

...meaning that products now aren't as well made and don't last as long as those made in the past. However, in some cases, the opposite is true. Focale 44 bikes are an example, to which our first customers from autumn 2009 can testify. Their Focale 44s are still going strong. There's no secret or magic behind this, just quality design, engineering and manufacturing. True, a Focale 44 bike may cost more than some bikes that are currently fashionable, but just like some German cars, their owners never regret the investment...

**A FOCALÉ 44 BIKE LASTS,
BECAUSE IT IS WELL MADE.**

2014 FRAMES

CR-MO FRAME KIT

includes : frame + fork + headset + spacers
colors : chrome, matt black, raw clear coating

FRAME

- 4 sizes : 49cm, 52 cm, 55 cm, 58 cm
- full 4130 Cr-Mo
- Long lasting reliable construction
- horizontal top tube
- integrated head tube for Campagnolo standard (1-1/8")
- engraved F44 Falcon logo in head tube
- BSA bottom bracket
- straight chain stays : allows up to 700 x 32c tire
- thinner seat stays
- hole for rear brake in seat stays bridge
- 5 mm Cr-Mo CNC dropouts
- weld-on seat clamp with replaceable bolt and nut
- weight : 2090 grams / 4.6 lbs

FORK

- full 4130 Cr-Mo
- 1-1/8" steer tube threadless
- integrated crown cone for integrated headset only
- hole for front brake
- 25.4 mm taper legs
- 33.5 mm rake
- weight : 920 grams / 2.0 lbs

HI-TEN FRAME KIT

includes : frame + fork + headset
colors : matt black

FRAME

- 4 sizes : 49cm, 52 cm, 55 cm, 58 cm
- hi-ten steel
- long lasting reliable construction
- horizontal top tube
- standard 1" head tube
- engraved F44 Falcon logo in head tube
- BSA bottom bracket
- straight chain stays : allows up to 700x32c tire
- thinner seat stays
- hole for rear brake in seat stays bridge
- 5 mm CNC dropouts
- weld-on seat clamp with replaceable bolt and nut
- 2200 grams / 4.85 lbs

FORK

- hi-ten steel
- 1" steer tube threaded
- hole for front brake
- 25.4 mm taper legs
- 33.5 mm rake
- 990 grams / 2.18 lbs

2014 PARTS

TRACK COMBO HANDLEBAR

- 1-pc stem/handlebar combo, track/pista
- full 4130 heat treated Cr-Mo
- for 1-1/8" threadless steer tube
- 80 mm stem length
- 40 mm stem height
- 0° angle
- internal stem clamp
- 380 mm handlebar width, center to center
- 95 mm reach
- 160 mm drop
- 24 mm handlebar O.D.
- colors : black, chrome

REVOLTED HANDLEBAR

- raised handlebar
- 6061-T6 alloy
- 22.2 mm all the way (including at stem clamp)
- 40 mm rise
- 480 mm wide
- 7° backsweep
- 3° upsweep
- color : black

GRIPS

- smooth kraton rubber
- micro diamond design
- 175 mm long
- for 23.8/24 mm handlebars (road bike and track handlebars)
- close ends
- colors : black or white

REVOLTED CRANK

- forged 6061-T6 alloy arms, 165 mm
- BCD 144 mm
- alloy chainring 44T
- JIS taper
- color : black

PEDALS

- platform style
- high resistant nylon body
- 9/16" axle
- color : black, red, blue, green, purple

STRAPS

- double straps
- for platform pedals
- wide upper velcro
- color : black

NOBLE TIRE

- made by Innova
- 30 dpi sidewalls
- 700 x 28c
- color : white

FULL MOON TIRE

- made by Innova
- 30 dpi sidewalls
- 700 x 23c
- color : black with gumwall sidewalls

REVOLTED TIRE

- made by Innova
- 30 dpi sidewalls
- 700 x 28c
- color : black

REVOLTED STEM

- frontload stem for 1-1/8" steer tube
- forged + CNC 6061-T6 alloy
- for 22.2 mm handlebar
- 50 mm reach
- color : black

FULL MOON STEM

- quill stem for 1" threaded headset
- forged 6061-T6 alloy
- for 25.4 mm handlebar
- 80 mm reach
- color : black

HEADSET

- for integrated head tube
- Compagnolo compatible
- sealed bearings
- alloy cap
- color : black

REVOLTED RIM

- double wall
- 32 holes
- 31 mm high
- 24 mm wide
- black
- color : black, white, polish

BRAKE LEVER

- top mount on track handlebar
- for O.D. 23.8/24 mm handlebars
- hinged clamp
- return spring
- right only
- color : black

COG

- Cr-Mo
- 16 or 17 teeth
- for 1/2" x 1/8" chain
- 1.37 x 24 tpi thread

LOCKRING

- Cr-Mo
- fits most track hub with double thread

CHAINRING BOLTS

- set of 5 chainring bolts
- for single chainring

A white bicycle is positioned on a wooden pallet. The image is semi-transparent, allowing the background to be visible. The text "MORE BRANDS COMING SOON." is overlaid in the center in a bold, black, sans-serif font. The bicycle's frame, wheels, and chain are visible, with some text like "KENDA" and "STABIL-R" appearing on the tires and frame respectively.

MORE BRANDS COMING SOON.

WARRANTY

Frames and parts are covered by a 1 year warranty from the original date of purchase. During this period, Focale 44 will repair or replace any frame or part deemed to have a manufacturing defect. Replacement frame or part may be of a different color. For complete bikes, replacement will only concern the damaged part, not the complete bike. Even if you contact us directly, all warranty claims must go through the dealer which sold the frame or part. Warranty does not cover normal wear and tear, misuse or neglect or modification of the frame or part. Warranty applies only to the original owner and is not transferable. Focale 44 or its mother company BMX Groupment shall not be responsible for incidental or consequential damages.

Any comments ? question@focale44bikes.com
